PAPERLESS SOLUTION

FREE OF CHARGE FOR THE CONSUMER

SIMPLE & EFFICIENT

EasyDOC follows a very simple 4-step process:

- 1 - The participant identifies an interesting brochure displayed on a leaflet holder. The brochure is labelled with a short code.
- 2 - The participant sends an SMS (free of charge) mentioning the short code of the brochure.
- 3 - The participant receives the URL link of an online platform with a login and password by SMS.
- 4 - The participant visits the URL link where he can easily download the document.

The simplicity of the system brings with it endless possibilities for its application. Discuss your ideas with us!
